

Water Well & Support

On behalf of AusRelief, we thank you for your contribution which we directed to the construction of a Water Well. Because of your generosity, a family is now being supplied with clean drinking water.

In this pack, you will be able to find:

1. More information about how your money was spent;
2. More information about your Water Well;
3. Photos;
4. Certificate of appreciation;
5. Location report;
6. Beneficiary's Criteria Form - This is an information snapshot of the family benefitting from your Water Well. Please note, this form was produced by our partners and, as such, may have spelling and grammatical errors. We have left the document in its original form for the purposes of maintaining authenticity. Please also note that phone numbers have been redacted to ensure the privacy of the family.

Given your contribution, we thought you might also be interested in supporting our other projects, namely:

1. Computer Sponsorship through education program: we supply disadvantaged children and schools with computers and computer classes;
2. Low-Cost Housing: we provide the homeless with low-cost housing – your support can be directed towards the construction costs of these homes;
3. Orphan Sponsorship: we support orphans in Asia, Africa or the Middle East – your support can be a monthly allowance to provide education, food, clothing and other necessities.

For more information on these products, please contact us on 1300 TO HELP or visit our website on www.ausrelief.org.

Again, on behalf of the AusRelief team, we thank you for your generous contribution and support.

Yours faithfully,
